Dear McMullen County,

Welcome to the McMullen County ISD website. Congratulations to the students and staff of McMullen County ISD for being named a “2010-2011 Exemplary School District” by the Texas Education Agency. A big thank you goes out to the community, parents, site-base committee, Region 2 Educational Service Center, Atascosa-McMullen Cooperative, PALS, McMullen County ISD Board of Trustees, and all the local organizations that helped us reach the goal of being an exemplary school district.

McMullen County ISD students have continued to raise the bar during the 2011-2012 school year. As of Friday, January 18, 2012, we have 221 students enrolled in grades PK-12. Our smallest class size is seven and our largest is twenty two.

Enrollment is as follows:

McMullen County High School:	62
McMullen County Jr. High:	34
McMullen County Elementary:	125

I would like to invite you to visit our website as often as possible. We will try to provide updated information as it becomes available. As always, stop by the school any time to visit with me to discuss the past, present, and future of McMullen County ISD. As the district’s superintendent I expect the best for our students and community. As a district and community we must set and maintain high standards and expectations for all involved in the educational setting. It is my goal that the educational experience the students of McMullen County ISD receive will not only benefit them today, but in their future endeavors as productive citizens. Your continued support of the Cowboys and Cowgirls of our district would be greatly appreciated.

Sincerely,

Dave Underwood

Dave Underwood
Superintendent
McMullen County ISD
